DAN PATCH THE WINNER

Breaks the World's Trotting Race in Har-

SHIELD WAS USED

Serious Accident, Resulting in Injury to an Old-Timer,

(By Associated Press.)

MEMPHIS, TENN., October 26 .- With a pace-maker carrying a wind shield in front and accompanied by a runner at the side, Dan Patch, driven by Herzy, paced the fastest mile at the Trotting Fark to-day ever made by a horse in harness circling the track in one minute and fifty-six seconds flat. The former record 1:56 1-4, was made by Dan Patch in 1902. The son of Joe Patchen warmed up in shape, and after scoring once, Herzy nodded for the word. With clocklike precision, the brown horse stepped d the first turn and to the quarter seconds. Turning down the back Scott Hudson, who drove the pace-maker, had to urge his horse forward, as Dan Patch was crowding him.

pacing marvel fairly flew to the half in :57 1-2 seconds and when the time announced, a great cheer came from present. On the far turn Dan Patch those present. On the far turn Dan Patch, seemed to falter, but only for an instant, and on passing the three-quarter pole, the timers' board showed 1:26 1-2. When, fairly straightened out for the flight to the wira, the brown pacer seemed to gather renewed courage, and, coming on at a terrific clip, passed the judges stand, in 1:56 flat.

Used Wind Shield.

Cheer after cheer greeted the performance, and Herzy was carried from his sulky on his return to the stand. The wind shield used was the same as that employed when Lou Dillon trotted a mile in 1.53 1-2. It consisted of a strip o. calvass about four feet square attached to the sulky of running pace-maker.

Another sensational performance was that of Major Delmar, E. E. Smather's troiting champlon, when he trotted a mile to a high wheel sulky in 2.50 flat. It was announced by the judges before the trial that the sulky was a non-ball-bearing and weighed 54 1-2 pounds. It was also explained the vehicle was the same pattern as that used by Mand 5. In her memorable flight against time in 1884, when she trotted a mile in 2:03 3-4.

Serious Accident. Serious Accident.

Serious Accident.

The day's sport was marred by an unfortunate accident. Edward Geers, the veteran driver and trainer, was exercising Joy Maker, a local trotter, and on turning into the stretch at a fast clip, collided with one of several track wagons on the grounds. His sulky was tilted high in the air and Geers was thrown heavily to the ground. When assistance reached him, it was found he had sustained severe injuries, one leg oeing broken and the other badly injured. Geers was taken to a hospital where tonight it is reported he is resting easy. His injuries are regarded as serious. Summaries:

wautt. Chase's bond was fixed at \$10,000. Ho was unable to furnish bafi, and was sent to jail.

The arrest of Chase caused no surprise in Meiggs county, but there is much excitement to-night over the indictments that are expected to-morrow against other persons. The name of one of these other persons is on the lips of all, as this person has been suspected as much as Chase, himself for a month.

Well Laid Scheme.

Chase was found locked up on September 9th by his daughter, who rushed to a bank and thence to the fair grounds for some one who could open the vauit, it was shown to the grand jury that at jeast half a dozen men were sitting in front of the courthouse all forencon on September 9th, and that none of these men saw the robbers. The semi-annual examination of the treasurer's books was proceeding when the robbery was alleged to have taken place.

As soon as the indictment against Chase were guilty, there was at least one, probably two, confederates—one to turn the combination on the vauit door on the outside and possibly another keeping watch outside of the building.

Chase comes of good family, is fifty years of age, has a wife, two sons and one daughter, the younger son, Guy, being deputy treasurer. Chase is a member of the Methodist Church, and was never before suspected of wrongdoing.
